Member of ACSI

Antalya Learners International (ALI) is non-profit start up learning initiative that seeks to serve the educational needs of the children of Christian workers in greater Antalya, Turkey. Though our curriculum is US based, we utilize AERO standards to meet the needs of our international learners. We aim to integrate faith and learning in a creative, learner-centered environment in which learners' gifts can be developed and nurtured. ALI opened in the Fall of 2017 and is part of St. Paul Ministries, located in Antalya's historic Old City.

Job Description: Full-time Middle School and High School Study Group Teachers (Grades 7-12)

- Works in accordance with ALI's mission statement and core values as stated in the employee commitment letter.
- Commits to building a positive relationship with learners, parents, colleagues, administration, and the local community.
- Participates in scheduled ALI study group activities.
- Self-starter who is motivated to help shape the future of our learning initiative.
- Demonstrates a commitment to teaching responsibilities by performing them with accuracy, timeliness, consistency, and dependability.
- Establishes and maintains a learning environment which demonstrates clear expectations of behavior, effective routines, and promotes self-discipline based on biblical principles.
- Consistently completes weekly lessons and long-range planning in connection with ALI curriculum standards.
- Creates weekly lesson plans for and teaches in a multi-grade classroom.
- Implements creative teaching strategies, which incorporate differentiated instructional methods to meet students' individual needs.
- Assesses students frequently by using a variety of assessment methods, keeping accurate records, and maintaining regular communication with parents.
- Reports to the administration for clarification of job responsibilities and supervision.
