

Children's Sports Programme - New Horizon

3-10 August 2019

Background

New Horizon is a seven day Christian festival that takes place every year at the Ulster University, Coleraine, on the picturesque north coast of Northern Ireland. It exists to provide a space and time in which thousands of people of all ages can be taught from the Bible, be inspired through worship and story, develop a missional heart, and engage with relevant and challenging issues.

The Salt Factory Sports team is responsible for leading a sports and activities programme for 8-10 year olds each evening from Monday to Friday. Team members will build relationships with the children, play lots of sports and games, teach Bible truths and demonstrate God's love through their words and actions.

Team members will be expected to attend New Horizon Child Protection Training at the start of the event on Saturday 3 August and the volunteer commissioning service on Sunday 4 August.
