

At TEAM, we recognize the value of community and our role as members of communities around the world. Whether helping neighbors rebuild after disaster, guiding micro-enterprises, or providing a safe after-school program, we know serving one aspect of the community benefits the whole community. Through sustainable and locally appropriate community development initiatives, we disciple and show the love of Christ.

# COMMUNITY DEVELOPMENT

## KNITTING PROGRAM IN AREQUIPA, PERU

**73** AVG. # OF PLASTIC BAGS

**10** AVG. # OF HOURS

**80** # OF CENTIMETERS OF FABRIC
