

## CREATIVE ARTS

In the West and beyond, today's world is captivated by entertainment. It has become an almost singular pursuit for many and is increasingly the key way that messages are disseminated into culture. As the number of voices grows, never has there been a greater need for creative arts that point to Christ.

TEAM's arts and media endeavors serve churches and communities, from puppet ministry in Central America, to an arts and music center in Southeast Asia, to website, video, radio and print productions around the world. We focus on endeavors that are locally appropriate and will connect effectively with those who do not know Christ.

TEAM seeks visual, performing and technical artists who desire to invest their gifts in service of the church to the glory of God, as an integral part of discipleship efforts.

## QUICK FACTS:

Arts initiatives are increasingly effective in sharing the gospel in closed-access and post-Christian regions.

Diverse service opportunities range from the fine arts to digital media.

A degree or experience in creative arts or related fields is preferred; formal or informal training plus experience may also be acceptable for some service opportunities.

*The purpose of TEAM is to help churches send missionaries to establish reproducing churches among the nations to the glory of God. TEAM missionaries establish churches by seeking to make followers of Jesus Christ who learn and obey all that he has commanded. Creative arts endeavors fulfill this purpose through the use of music, art, graphic design, dance, drama and other creative expressions.*

**As TEAM considers the role of the creative arts in ministry, we follow a set of guidelines focused on our purpose and vision:**

- Creative arts endeavors take place where we see a confluence of spiritual and demographic factors that indicate that God is leading us to serve in this capacity.
- TEAM leadership prayerfully considers how creative arts endeavors fulfill the objective of making disciples.
- Creative arts endeavors should be culturally sensitive to the local expressions of art, music, dance, and drama. At the same time, creative arts endeavors that are new and different may be appreciated and accepted by local people.
- Creative arts endeavors are carried out in partnership with local individuals, churches or groups.
- Churches and ministries, started through TEAM's creative arts, work toward the reconciliation of all things to God through Jesus.
