

Nearly half of the world's population live in cities, and even more people pour in from rural areas each day to work. With the world at their doorsteps, urban churches have a great opportunity to spread the gospel to a diverse population. TEAM works in some of the world's most urbanized places to share the gospel and serve communities.

URBAN

3.6 BILLION OF 7.134 BILLION, OR
51 PERCENT
 OF THE WORLD LIVES IN URBAN AREAS.
