QUICK FACTS:

Working as a professional in a business-as-missions capacity can address spiritual needs hand-in-hand with social, economic, and environmental needs.

Service opportunities include opening a new business in Southeast Asia, joining a cultural center in the Middle East, and more.

The purpose of TEAM is to help churches send missionaries to establish reproducing churches among the nations to the glory of God. TEAM missionaries establish churches by seeking to make followers of Jesus Christ who learn and obey all that he has commanded. In certain contexts, the best means of discipleship entails the use of a variety of ministries with professionals.

As TEAM considers ministry with professionals, we follow a set of guidelines focused on our purpose and vision:

- Endeavors with professionals take place where we see a confluence of spiritual and demographic factors that indicate that God is leading us to serve in this capacity.
- TEAM leadership prayerfully considers how endeavors with professionals fulfill the objective of making disciples.
- Endeavors with professionals are carried out in partnership with local individuals, churches or groups.
- Churches and ministries, started through TEAM's efforts with professionals, work toward the reconciliation of all things to God through Jesus.
