

## YOUTH AND CHILDREN

TEAM wants to help young people live fully as God intended and to reach their full potential as children of God. Our missionaries work around the world with teens and children in diverse capacities, meeting them wherever they are in their spiritual journey to win them for Christ and build them up.

TEAM connects with young people through English programs, sports and camp outreach, the creative arts, education, and more. Youth has no geographical constraints, and neither do our efforts to connect with young generations.

## QUICK FACTS:

Approximately 64 percent of African children and 84 percent of Asian children live in countries where at least one third of the population lives on less than \$2 a day. (Source: *United Nations*)

Service opportunities include teaching at schools, after-school clubs, church youth ministries, camps and more.

*The purpose of TEAM is to help churches send missionaries to establish reproducing churches among the nations to the glory of God. TEAM missionaries establish churches by seeking to make followers of Jesus Christ who learn and obey all that he has commanded. In certain contexts, the best means of discipleship entails the use of a variety of ministries with youth and children.*

**As TEAM considers ministry with youth and children, we follow a set of guidelines focused on our purpose and vision:**

- Endeavors with youth and children take place where we see a confluence of spiritual and demographic factors that indicate that God is leading us to serve in this capacity.
- TEAM leadership prayerfully considers how endeavors with youth and children fulfill the objective of making disciples.
- Endeavors with youth and children are carried out in partnership with local individuals, churches or groups.
- Churches and ministries, started through TEAM's efforts with youth and children, work toward the reconciliation of all things to God through Jesus.
