

MUSLIM

TEAM workers have served among Muslim populations for more than 50 years with locations today stretching from Europe, to Africa, to the Middle East, to Asia. We are united by one goal: sharing the love of Christ among this diverse and far-reaching group, whether in rural tribal areas or sprawling Arab cities.

Nearly one in four people on Earth practices Islam. A rapidly growing area of ministry, the Muslim world offers countless creative opportunities to serve among a warm and hospitable people. Build community over a cup of tea. Build transformative business enterprises in an urban setting. Build clean energy projects to power remote villages.

The purpose of TEAM is to help churches send missionaries to establish reproducing churches among the nations to the glory of God. TEAM missionaries establish churches by seeking to make followers of Jesus Christ who learn and obey all that he has commanded. In certain contexts, the best means of discipleship entails the use of a variety of service ministries among Muslim populations.

As TEAM considers serving among Muslim populations, we follow a set of guidelines focused on our purpose and vision:

- Endeavors among Muslim populations take place where we see a confluence of spiritual and demographic factors that indicate that God is leading us to serve in this capacity.
- TEAM leadership prayerfully considers how endeavors among Muslim populations fulfill the objective of making disciples.
- Endeavors among Muslim populations are carried out in partnership with local individuals, churches or groups.
- Churches and service ministries, started through TEAM's efforts among Muslim populations, work toward the reconciliation of all things to God through Jesus.
