

Directions to TEAM Japan Office/TEAM Center

Exit from ticket turnstiles and turn **left** toward South Exit. Once you pass the shops, you need to turn left and walk towards the Seven Eleven convenience store. Take the stairs or escalator down to the street level. Follow the sidewalk and you will be walking along a street with a tree-lined canal (shown in blue below) on your left. After about 5 or 6 blocks look for a TEAM sign high on a red pole along with a “Fire Extinguisher” sign. Turn **right** at that corner. You are now on the street where the TEAM Japan Office is located. Walk about 300 meters until you come to a playground. We are in the 3-story sandy-colored brick building just beyond the playground. Enter into the inclined carport area and through the glass double doorway. The TEAM Japan Office is on the first floor. It’s about a 10-15 minute walk from Mitaka station.
