

ABOUT THE EMPLOYER

TEAM - The Evangelical Alliance Mission is a global ministry organization founded in 1890 that partners with churches to equip and send global servants who make disciples of Jesus Christ among the nations, leading to the formation of reproducing churches, going where the most people have the most need. We envision the church transforming our world, proclaiming the Gospel in both word and action.

To accomplish this purpose, we subject our lives to the truth of Scripture and we rely on God through prayer. God provides what is necessary to carry out His plan to build His Church among the nations. While only God can save, we speak His words, use His gifts, and reflect His love. Without constant reliance on God through prayer and obedience to His Word, we can do none of these things.
